## Choosing the Right Bank

Starting a banking connection is a most important matter and should be the result of a careful consideration of ALL the qualifications for security and service desired by you and offered by the bank.

- The first consideration is security.
- The second consideration is service.
- The third consideration is convenience.
- The fourth and last consideration is interest.

The difference of 1 or even 2 per cent interest will not compensate for the lack of any of the other qualifications.

## B'nai B'rith Banquet ON 25TH ANNIVERSARY

Speakers Include Members of Congress and Others Prominent in Jewish World.

Future Contributions of the Race to America One of the Themes of Discussion.

The twenty-fifth anniversary of Argo Lodge, B'nai B'rith, was celebrated at a banquet last night at the Metropolitan Hotel. The list of speakers included several members of Congress, and in their remarks they dwelt on the Burnett immigration bill, one that is of vital interest to the Jews.

Representative Isaac Siegel of New York urged his audience to encourage naturalization in the District and to give their support to the Young Men's Hebrew Association so that it might obtain suitable quarters.

"The Jewish race in America, as in other places, has had to fight for existence," said Representative London of New York. "So far the Hebrew has contributed just as much rotteness and just as much good to the United States as immigrants of other nationalities. He has done all that he can for the country of his adoption as yet, but he will."

Future Gifts to Nation.

"When he has developed to his full strength he will give to this nation not only politicians, shopkeepers, financial leaders, but dreamers, artists, prophets and molders of thought and history."

And in the world crisis, which affects the Jews as much as any of the nations at war, let us do all we can in the United States to make the world respect us. It is wonderful that we are good as we are, considering the centuries of oppression that have been our lot. Our virtues have been forced upon us; our virtues have persisted in spite of oppression."

Other speakers were Representative Salathiel of Illinois, Representative Bachrach of New Jersey, Simon Wolf, Dr. Abram Simon, R. S. Gold and Sol Herzog, Representative Kahn of California, on the list of speakers, was called from the banquet room.

Acted as Toastmaster.

Joseph Strasburger acted as toastmaster in the place of Judge Milton Strasburger, who was prevented from attending by illness.

Leon Pretzfelder, president of the lodge, introduced Toastmaster Strasburger. A telegram was read from Julius L. Peyer, past grand president of the fifth district, B'nai B'rith, including all the southern states, who is in Atlantic City.

On the committee of arrangements were A. C. Mayer, chairman; Sol Herzog, F. M. Peizman, Joseph Strasburger, Julius L. Peyer, Leon Pretzfelder, H. O. Sandberg, David Wiener, Dr. J. A. Peizman and Joseph Tepper. Reception committee: Judge M. Strasburger, chairman; M. Isenman, Samuel Gans, I. Heidenheim, Isaac Gans, J. Herzog and Morris Hahn.

THOUSANDS OF SERBS PERISH IN THEIR FLIGHT

BERN, March 30.—Of thirty thousand Serbian refugees who, following the invasion of their country by the Teutonic allies, headed southward, only 8,000 succeeded in reaching Salonika, all the others having perished of cold and hunger on the way, according to a report just received from Mlle. Comte de Geneva, representative at Salonika of the Swiss Red Cross.

SMOKER AND VAUDEVILLE.

Members of International Geneva Association Entertained.

The International Geneva Association, composed of employees of hotels and restaurants all over the world, held a smoker last night at Sauerbund Hall. More than a hundred guests were seated at tables about the hall and were entertained with a number of vaudeville selections.

The program of nineteen numbers was featured by popular songs rendered by the Neatholeen Quartet, composed of J. Flaherty, G. W. Murphy, C. C. Martin and B. C. Jarboe, with E. McNelly as accompanist; baritone solos by John P. Reidecker, elegances by Charles H. Hirsch and Frank Willingham, and instrumental selections by the Talamini, Vecchetti and Pisani Companies. Others in charge included G. Smith-Kamp, Charles H. Flier, Joe Seaman, John Richards, J. J. Jaborek, Joseph Stubbok, Victor Krasner and A. Sauer.

SYNTHETIC DIAMOND FOUND.

Discovery Said to Have Been Made in Geneva Laboratory.

GENEVA, March 30.—The synthetic diamond, long sought for by science, appears at last to have been discovered, says the Geneva Tribune today.

"Research work is being carried out at the Geneva laboratory of inorganic chemistry," adds the newspaper, "on the separation of carbonic anhydrides in the form of snow by chlorophyllous pyridine in solution and other nitrous organic liquids. In the residue besides free carbons of varying weight, has been found very hard and very heavy white tetrahedral and octohedral crystals, which burned without leaving ashes and were insoluble in aqua regia, possessing, as far as the analyses made up to the present show, all the properties of the diamond."

## ANNIVERSARY CONCERT BY RUBINSTEIN CLUB

George Dostal, Tenor, and Scipione Guidi, Violinist, of New York Assist.

The Rubinstein Club, whose affairs have become a notable factor in the musical life of Washington, was heard again in concert last evening in the ballroom of the Raleigh Hotel, under the direction of Herndon Morsell, adding new laurels to those won on former occasions. The assisting artists were George Dostal, tenor, and Scipione Guidi, violinist, both of New York.

Mr. Dostal has a lyric voice of wide range and was well received after each number, both by the club and the audience, but was noticeably at his best in the last two of a group of English songs, "Life," by Oley Speaks, which he sang twice, and "All Joy be Thine," by Sanderson, after which, in response to applause, he gave "Till," by Sanderson, and on a second recall, "Mother Machree."

Other Numbers Sung.

Among his other numbers were "The Wind and the Lyre," by Harriet Ware; "April," by Florida; "Look Down, Dear Eyes," by Fischer, sung by request, which he was obliged to repeat, and an aria, "Deserto in Terra," from "Don Sebastiano," by Donizetti, to which he gave, as encore, "T'Amo," by Mercadante. Emil Polak of New York, who assisted him at the piano, proved an efficient accompanist.

Mr. Guidi appeared twice on the program, and before the end of his first number, "Romance," by Svendsen, had established himself in the favor of the audience. He displayed a pure tone and

good technique, and among his other offerings were "Gypsy Dance," Op. 14, No. 1, by Nachez, which was received with such enthusiasm that he responded by playing, as encore, the first of his program numbers, "Rondo Viennese," by Bazzini. "Caprice Viennois," and "Tambourin Chinois," both by Kreisler, made up his second group, the last winning numerous recalls, to which he gave, as encore, the number, "Les Precieuses," by Couperin.

Club Performance Excellent.

The choral numbers were in the main refreshingly unfamiliar and the work of the club throughout of a high order, the tone quality being uniformly mellow and the attack and phrasing given as if by one voice. Especially was the pianissimo effects in "Twilight," by Fritsch-Amorose, and the crisp and clear staccato of "Amaryllis," adapted by Turlow, a real achievement for both conductor and singers, and Mr. Morsell was compelled several times to bow his acknowledgments. In addition, the club sang "Greeting," by Morsell; "Andalusian Love Song," and "In the Boat," both by Herman; "Sweet and Alexander Matthews," and "Roses in Madrid," by Gena Brancome. Arthur L. Mayo, accompanist of the club, gave admirable support at the piano. The evening marked the eighth anniversary of the club, in celebration of which members and guests were invited to remain for an informal dance at the conclusion of the concert.

Two Wills Filed.

The will of Mrs. Julia F. Fischer, dated May 28, 1914, has been filed for probate. She leaves her entire estate to her husband, Ernst G. Fischer, if living. Should the husband be dead, the document provides that \$500 each be paid to Pauline C. Krug and Florence O'Reilly and \$200 to Sarah O. Humphries. The remaining estate is then to go to the children of Mrs. Hatie E. Louis. The husband is named as executor or in the event of his death, the Mercantile Trust and Deposit Company of Baltimore.

By the terms of the will of Anthony Mason, dated February 19, 1911, \$50 is left to his son, Thomas A. Mason, and \$500 to his daughter, Josephine A. Mason. The remaining estate is devised to his wife, Anna E. Mason, who is also named as executrix.

## WRIT TO FORCE DISTRICT PAY HIM PENSION DENIED

Justice Stafford Rules Against Plea of W. A. Schwerdtfeger, Former Fireman—Appeal Noted.

William A. Schwerdtfeger, former member of the fire department, has been denied by Justice Stafford of the District Supreme Court a writ of mandamus to compel the District Commissioners to place his name on the pension rolls of the department. The petitioner noted an appeal through Attorney James W. McNeill. The Commissioners were represented by Assistant Corporation Counsel Stephens.

Schwerdtfeger, with four other firemen, was injured at a 7th street fire, December 24, 1913, and several months later was cited by the Commissioners to show cause why he should not be discharged without a pension for disability. After a hearing he was dismissed January 27, 1915.

The Commissioners held that the fireman was suffering from a malady contracted before he joined the department in 1910, and that he was not entitled to share in the pension fund. He claimed that his condition was the result of exposure in the line of duty.

Justice Stafford ruled that as the Commissioners had found as a matter of fact that the fireman was afflicted at the time of entering the department, the court could not go behind that finding.

They will discuss necessary measures to this end."

## New Altitude Record for Airboat.

Sauley of the Navy Aeronautics Corps, has established what is declared to be a new world's altitude record for a hydroaeroplane, when he ascended 16,000 feet, according to announcement at the navy aviation station here.
